

### Harris Celebrates 125 Years of Success

**For Immediate Release: January 27, 2023** Harris will kick off its 125 Year Anniversary Celebration next week at **(TISE) Surfaces** in Las Vegas, NV.

An American Legacy, Harris has been handcrafting exceptional quality hardwood flooring in the USA since 1898. Harris capitalizes on the expertise that only time-accrued knowledge and dedication can yield, always evolving to continue its leading position in the flooring industry.

We celebrate this 125th Anniversary with a deep appreciation of our customers, independent flooring dealers and distribution centers across North America. They are the ones that have upheld the iconic Harris brand and have made it what it is today. Additionally, they inspire us to reach many more momentous milestones with exceptional quality products and service.

“It is such an honor to celebrate Harris, a true American Legacy. Celebration of this momentous milestone is a direct reflection of the hard work, dedication and passion our team consistently delivers.” – **Renee Tester, Vice President of Marketing, eCommerce & Digital.**
